| Voltage        | 220-240VAC 50Hz                                                                                                                                                                                                                                                                                                       |
| Light source   | GX53 base, LED max 7 W. Comes with a LED bulb (Airam Pro LED GX53, 4,9 W, 3000 K, 470 lumen, dimmable, may vary). The use of special bulbs such as halogen, mirror or 12 V bulbs in Secto Design lamps is prohibited, due to overheating. This product is supplied with an example bulb of energy efficiency class F. |
| Dimming        | <a href="#">Details</a>                                                                                                                                                                                                                                                                                               |
| DALI           | Attachable to DALI systems with a separate DALI-compatible dimmer. Due to great variation in DALI systems, Secto Design does not supply DALI-dimmers. Please contact your local electrician.                                                                                                                          |
| Cable          | 220 cm, textile cable, switch on the cable. Also available with direct wall mounting.                                                                                                                                                                                                                                 |
| Classification | Ingress Protection IP20, IEC Protection Class II, CE marking                                                                                                                                                                                                                                                          |
