Teelo 8020

Design by Seppo Koho

Teelo is a brand new table light, designed for Secto Design by the award-winning designer, architect Seppo Koho. Teelo continues the simple yet stylish lighting collection of Secto Design bringing in additional sculptural tone. Despite the lack of slats, Teelo stays true to the classic Secto feel highlighting the beauty of wood. The clear and beautiful lines of Teelo, together with the light source designed never to blind the viewer, offer an eye-soothing lighting experience. The detail in the design of the joints gives a sophisticated finishing touch to this timeless design object.

Teelo table light is made of top-quality Finnish birch and comes in birch and walnut veneer finishes. Teelo is a registered trademark and has a wide international design protection.

Teelo dimensions: height 38 cm, width 33 cm, diameter 11 cm.
