

## PRESS RELEASE

**The new Octo Small 4241 is finally here!** The long anticipation of the audience is finally over! Secto Design is proud to introduce the new Octo Small 4241 pendant, a smaller version of the famous Octo 4240. Measuring 55 cm in height and 45 cm in diameter the new Octo Small 4241 is more compact in size than the previous version but yet it still holds the same grand allure and spaciousness. Wonderful on its own, this new pendant also works perfectly when installed together with other Secto Design suspension lights. It creates a magnificent focal point to any interior. The new Octo Small 4241 pendant is available in four finishes: natural birch, white and black laminated and walnut veneer.

**Octo Small 4241 is now available for ordering.**

**Secto Design is a Finnish company** specialized in design lights hand-crafted of top-quality local PEFC certified birch wood. The demanding work is carried out by our highly talented local craftsmen in the town of Heinola, Finland. The entire lighting collection is designed by the award-winning Finnish architect Mr Seppo Koho.

**The wooden warmth of the Secto Design lights** suits a variety of different tastes and the lamps are shipped to over 70 different countries around the world. Their clear but interesting architectonic forms are appreciated not only by private clients and professionals, but also by judges of prestige design competitions.

**The authentic Secto Design lamps are now labelled with a hologram sticker.**
