

PRESS RELEASE

Secto Design lighting collection has grown over the course of 20 years and today it consists already of 25 different models which together form the distinctive appearance of the brand.

Octo Small 4241 pendant is the latest addition to the collection and it was launched in 2018. This new pendant captures the eye with its grand allure. A perfect match for variety of interiors and it fits stunningly also in spaces with lower ceiling.

Kuulto 9100 ceiling fixture was first launched in 2016 as a prototype. In 2018 Kuulto 9100 was introduced to the market. It brings a unique and innovative touch to the world of ceiling fixtures. This new ceiling fixture creates an impressive installation as a modular entity on the wall.

Secto Design is a Finnish company specialized in design lights hand-crafted of top-quality local PEFC certified birch wood. The diligent manufacturing is carried out by the highly talented local craftsmen in the town of Heinola, Finland. The entire lighting collection is designed by the award-winning Finnish Architect Mr Seppo Koho.

Secto Design lamps are internationally praised for their quality, functionality, timelessness and suitability for a variety of different styles. The lamps are shipped to over 60 different countries around the world. Their clear but interesting architectural forms are appreciated by private clients and professionals as well as by judges of prestige design competitions.

The authentic Secto Design lamps are now labelled with a hologram sticker.
